These amendments are intended to implement Iowa Code sections 15.335, 15A.9, 422.3, 422.5, 422.7, 422.9, 422.10, 422.32, 422.33 and 422.35 as amended by 2011 Iowa Acts, Senate File 512, and sections 422.7 and 422.9 as amended by 2011 Iowa Acts, Senate File 533.

The following amendments are proposed.

ITEM 1. Amend subrule 38.19(2) as follows:

38.19(2) *Notification to the taxpayer.* If the taxpayer indicates on the return that a dependent child does not have health care coverage and the taxpayer's income reflected on the tax return is within the eligibility requirements for either the Medicaid program or the HAWK-I program, the department will send a letter to the taxpayer indicating that the dependent may be eligible for health care coverage under either the Medicaid or HAWK-I program. The letter will also ~~enclose~~ provide the address for a Web site which has an online application for health care coverage under either the Medicaid or HAWK-I program which can be completed and sent to the Iowa department of human services. The letter will also include the telephone number to call to request a paper application. The taxpayer must submit the application to the Iowa department of human services within 90 days of receipt of the enrollment information from the department of revenue. The department of human services will make the final determination on whether the taxpayer is eligible under the Medicaid or HAWK-I program. A dependent child must be under the age of 21 to be eligible for the Medicaid program, and a dependent child must be under the age of 19 to be eligible for the HAWK-I program.

ITEM 2. Amend rule 701—40.1(422) as follows:

701—40.1(422) Net income defined. Net income for state individual income tax purposes shall mean federal adjusted gross income as properly computed under the Internal Revenue Code and shall include the adjustments in 701—40.2(422) to 701—40.9(422). The remaining provisions of this rule and 701—40.12(422) to ~~701—40.75(422)~~ 701—40.79(422) shall also be applicable in determining net income.

This rule is intended to implement Iowa Code section 422.7.

ITEM 3. Adopt the following **new** subrule 40.60(5):

40.60(5) *Assets acquired after December 31, 2009, but before January 1, 2013.* For tax periods beginning after December 31, 2009, but beginning before January 1, 2013, the bonus depreciation authorized in Section 168(k) of the Internal Revenue Code, as amended by Public Law No. 111-240, Section 2022, and Public Law No. 111-312, Section 401, does not apply for Iowa individual income tax. Taxpayers who claim the bonus depreciation on their federal income tax return must add the total amount of depreciation claimed on assets acquired after December 31, 2009, but before January 1, 2013, and subtract the amount of depreciation taken on such property using the modified accelerated cost recovery system (MACRS) depreciation method applicable under Section 168 of the Internal Revenue Code without regard to Section 168(k).

If any such property was sold or disposed of during the tax year, the applicable depreciation catch-up adjustment must be made to adjust the basis of the property for Iowa tax purposes. The gain or loss reported on the sale or disposition of these assets for federal tax purposes must be adjusted for Iowa tax purposes to account for the adjusted basis of assets.

The adjustment for both depreciation and the gain or loss on the sale of qualifying assets acquired after December 31, 2009, but before January 1, 2013, can be calculated on Form IA 4562A.

See 701—subrule 53.22(3) for examples illustrating how this subrule is applied.

ITEM 4. Amend rule **701—40.60(422)**, implementation sentence, as follows:

This rule is intended to implement Iowa Code section 422.7 as amended by 2011 Iowa Acts, Senate File 512.

ITEM 5. Amend rule 701—40.65(422), introductory paragraph, as follows:

701—40.65(422) Section 179 expensing. For tax periods beginning on or after January 1, 2003, but beginning before January 1, 2006, the increase in the expensing allowance for qualifying property authorized in Section 179(b) of the Internal Revenue Code, as enacted by Public Law No. 108-27, Section 202, may be taken for Iowa individual income tax. If the taxpayer elects to take the increased Section 179 expensing, the Section 179 expensing allowance on the Iowa individual income tax return

is the same as the Section 179 expensing allowance on the federal income tax return for tax years beginning on or after January 1, 2003, but beginning before January 1, 2006. In addition, for tax periods beginning on or after January 1, 2008, but beginning before January 1, 2009, the increase in the expensing allowance for qualifying property authorized in Section 179(b) of the Internal Revenue Code, as enacted by Public Law No. 110-185, Section 102, may be taken for Iowa individual income tax. For tax periods beginning on or after January 1, 2009, but beginning before January 1, 2010, the increase in the expensing allowance for qualifying property authorized in Section 179(b) of the Internal Revenue Code, as enacted by Public Law No. 111-5, Section 1202, cannot be taken for Iowa individual income tax purposes. The maximum amount of Section 179 expensing allowed for tax periods beginning on or after January 1, 2009, but beginning before January 1, 2010, is $133,000 for Iowa individual income tax purposes. For tax years beginning on or after January 1, 2010, the increase in the expensing allowance for qualifying property authorized in Section 179(b) of the Internal Revenue Code, as enacted by Public Law No. 111-240, Section 2021, and Public Law No. 111-312, Section 402, may be taken for Iowa individual income tax.

ITEM 6. Amend rule **701—40.65(422)**, implementation sentence, as follows:

This rule is intended to implement Iowa Code section 422.7 as amended by ~~2008~~ 2011 Iowa Acts, Senate File ~~2123~~ 512.

ITEM 7. Amend rule 701—40.67(422) as follows:

701—40.67(422) Deduction for alternative motor vehicles. For tax years beginning on or after January 1, 2006, but beginning before January 1, ~~2011~~ 2015, a taxpayer may subtract $2,000 for the cost of a clean fuel motor vehicle if the taxpayer was eligible to claim for federal tax purposes the alternative motor vehicle credit under Section 30B of the Internal Revenue Code for this motor vehicle.

The vehicles eligible for this deduction include new qualified fuel cell motor vehicles, new advanced lean burn technology motor vehicles, new qualified hybrid motor vehicles, qualified plug-in electric drive motor vehicles and new qualified alternative fuel vehicles. ~~These~~ The advanced lean burn technology, qualified hybrid and qualified alternative fuel vehicles must be placed in service ~~after December 31, 2005, but~~ before January 1, 2011, to qualify for the deduction. The qualified plug-in electric drive motor vehicles must be placed in service before January 1, 2012, to qualify for the deduction. The qualified fuel cell motor vehicles must be placed in service before January 1, 2015, to qualify for the deduction. A taxpayer must claim a credit on the taxpayer's federal income tax return on federal Form 8910 to claim the deduction on the Iowa return.

This rule is intended to implement Iowa Code section 422.7 ~~as amended by 2006 Iowa Acts, House File 2461~~.

ITEM 8. Amend rule 701—40.73(422) as follows:

701—40.73(422) Exclusion for health care benefits of nonqualified tax dependents. Effective for tax years beginning on or after January 1, 2009, but beginning before January 1, 2011, a taxpayer may exclude from Iowa individual income tax the income reported from including nonqualified tax dependents on the taxpayer's health care plan, to the extent this income was reported on the federal income tax return.

40.73(1) *Term of coverage.* Iowa Code section 509A.13B provides that group insurance, group insurance for public employees, and individual health insurance policies or contracts permit continuation of existing coverage for an unmarried child of an insured or enrollee, if the insured or enrollee so elects. If the election is made, it will be in effect through the policy anniversary date on or after the date the child marries, ceases to be a resident of Iowa, or attains the age of 25, whichever occurs first, so long as the unmarried child maintains full-time status as a student in an accredited institution of postsecondary education. These children can be included on the health care coverage even though they are not claimed as a dependent on the federal and Iowa income tax returns.

40.73(2) *Federal treatment.* Section 105(b) of the Internal Revenue Code provides that the income reported from including dependents on the taxpayer's health care coverage is exempt from federal income

tax. However, income is reported for federal income tax purposes on the value of the health care coverage of children who are not claimed as dependents on the taxpayer's federal and Iowa income tax returns for tax years beginning on or after January 1, 2009, but beginning before January 1, 2011. The amount of income included on the federal income tax return is allowed to be excluded on the Iowa return. For tax years beginning on or after January 1, 2011, income is no longer reported on the federal income tax return on the value of health care coverage of children who are not claimed as dependents and who have not attained age 27 as of the end of the tax year; therefore, no adjustment is required on the Iowa return.

This rule is intended to implement Iowa Code section 422.7 as amended by ~~2009~~ 2011 Iowa Acts, Senate File ~~389~~ 512.

ITEM 9. Adopt the following **new** rules 701—40.78(422) and 701—40.79(422):

701—40.78(422) Allowance of certain deductions for 2008 tax year.

40.78(1) For the tax year beginning on or after January 1, 2008, but before January 1, 2009, the following deductions provided in the federal Emergency Economic Stabilization Act of 2008, Public Law No. 110-343, will be allowed on the Iowa individual income tax return:

a. The deduction for certain expenses of elementary and secondary school teachers allowed under Section 62(a)(2)(D) of the Internal Revenue Code.

b. The deduction for qualified tuition and related expenses allowed under Section 222 of the Internal Revenue Code.

c. The deduction for disaster-related casualty losses allowed under Section 165(h) of the Internal Revenue Code.

40.78(2) Taxpayers who did not claim these deductions on the Iowa return for 2008 as originally filed, or taxpayers who claimed these deductions on the Iowa return as filed and subsequently filed an amended return disallowing these deductions, must file an amended return for the 2008 tax year to claim these deductions. The amended return must be filed within the statute of limitations provided in 701—subrules 43.3(8) and 43.3(15). If the amended return is filed within the statute of limitations, the taxpayer is only entitled to a refund of the excess tax paid. The taxpayer will not be entitled to any interest on the excess tax paid.

This rule is intended to implement Iowa Code sections 422.7 and 422.9 as amended by 2011 Iowa Acts, Senate File 533.

701—40.79(422) Special filing provisions related to 2010 tax changes.

40.79(1) For the tax year beginning on or after January 1, 2010, but before January 1, 2011, the following adjustments will be allowed on the Iowa individual income tax return:

a. The deduction for certain expenses of elementary and secondary school teachers allowed under Section 62(a)(2)(D) of the Internal Revenue Code.

b. The deduction for qualified tuition and related expenses allowed under Section 222 of the Internal Revenue Code.

c. The increased expensing allowance authorized under Section 179(b) of the Internal Revenue Code.

40.79(2) Taxpayers who did not claim these adjustments on the Iowa return for 2010 as originally filed have two options to reflect these adjustments. Taxpayer may either file an amended return for the 2010 tax year to reflect these adjustments, or taxpayer may reflect these adjustments on the tax return for the 2011 tax year. If the taxpayer elects to reflect these adjustments on the 2011 tax return, the following provisions are suspended related to the claiming of the following adjustments for 2011:

a. The limitation based on income provisions and regulations of Section 179(b)(3) of the Internal Revenue Code with regard to the Section 179(b) adjustment.

b. The applicable dollar limit provision of Section 222(b)(2)(B) of the Internal Revenue Code with regard to the qualified tuition and related expenses adjustment.

40.79(3) Examples. The following noninclusive examples illustrate how this rule applies:

EXAMPLE 1: Taxpayer claimed a $150,000 Section 179 expense on the federal return for 2010. Taxpayer only claimed a $134,000 Section 179 expense on the Iowa return as originally filed for 2010.

Taxpayer elects not to file an amended return for 2010, but to make the adjustment on the 2011 Iowa return. Taxpayer reported a loss from the taxpayer's trade or business on the 2011 federal return, so no Section 179 expense can be claimed on the federal return for 2011 in accordance with Section 179(b)(3) of the Internal Revenue Code. Taxpayer can claim the $16,000 ($150,000 less $134,000) difference as a deduction on the Iowa return for 2011 since the income provision of Section 179(b)(3) is suspended for Iowa tax purposes.

EXAMPLE 2: Taxpayers are a married couple who claimed a $4,000 tuition and related expenses deduction on their federal return for 2010. Taxpayers did not claim this deduction on their Iowa return as originally filed for 2010. Taxpayers elected not to file an amended return for 2010, but to make the adjustment on the 2011 Iowa return. Taxpayers reported federal adjusted gross income in excess of $160,000 on their 2011 federal return, so no deduction for tuition and related expenses can be claimed on the 2011 federal return in accordance with Section 222(b)(2)(B) of the Internal Revenue Code. Taxpayers can claim the $4,000 deduction on the Iowa return for 2011 since the dollar limit provision of Section 222(b)(2)(B) is suspended for Iowa tax purposes.

EXAMPLE 3: Taxpayer is an elementary school teacher who claimed a $250 deduction for out-of-pocket expenses for school supplies on the federal return for 2010. Taxpayer did not claim this deduction on the Iowa return as originally filed for 2010. Taxpayer elected not to file an amended return for 2010, but to make the adjustment on the 2011 Iowa return. Taxpayer also claimed a $200 deduction for out-of-pocket expenses for school supplies on the federal return for 2011. Taxpayer can claim a $450 ($250 plus $200) deduction on the Iowa return for 2011.

This rule is intended to implement 2011 Iowa Acts, Senate File 533, section 143.

ITEM 10. Amend subrule 41.5(2), introductory paragraph, as follows:

41.5(2) For the tax years beginning on or after January 1, 2004, and before January 1, 2008, and for tax years beginning on or after January 1, 2010, but before January 1, 2012, the itemized deduction for state sales and use taxes is allowed on the Iowa return only if the taxpayer elected to deduct state sales and use taxes as an itemized deduction in lieu of the deduction for state income taxes on the federal return under Section 164 of the Internal Revenue Code.

ITEM 11. Amend rule **701—41.5(422)**, implementation sentence, as follows:

This rule is intended to implement Iowa Code ~~Supplement~~ sections 422.7 and 422.9 as amended by 2011 Iowa Acts, Senate File 512.

ITEM 12. Adopt the following **new** subrule 42.4(4):

42.4(4) *Claiming the credit.* The credit can only be claimed by the spouse who claims the dependent credit on the Iowa tax return as described in subrule 42.3(3). For example, for divorced or separated parents, only the spouse who claims the dependent credit on the Iowa return can claim the tuition and textbook credit for tuition and textbook expenses for that dependent.

In cases where married taxpayers file separately on a combined return form, the tuition and textbook credit shall be allocated between the spouses in the ratio in which the dependent credit was claimed between the spouses.

EXAMPLE: A married couple has two dependent children and claimed a tuition and textbook credit of $500 related to both children on their 2011 Iowa return. The taxpayers filed separately on a combined Iowa return form for 2011. One spouse claimed both of the dependent credits on the Iowa return. The $500 tuition and textbook credit will be claimed by the spouse who claimed the dependent credits on the Iowa return.

EXAMPLE: A married couple has three dependent children and claimed a tuition and textbook credit of $600 related to all three children on their 2011 Iowa return. The taxpayers filed separately on a combined Iowa return form for 2011. One spouse claimed one dependent credit, and the other spouse claimed two dependent credits on the Iowa return. The spouse who claimed one dependent credit will claim $200 of the tuition and textbook credit, while the spouse who claimed two dependent credits will claim $400 of the tuition and textbook credit.

ITEM 13. Amend subrule 42.11(3) as follows:

42.11(3) Research activities credit for tax years beginning in 2000. Effective for tax years beginning on or after January 1, 2000, the taxes imposed for individual income tax purposes will be reduced by a tax credit for increasing research activities in this state.

a. The credit equals the sum of the following:

(1) Six and one-half percent of the excess of qualified research expenses during the tax year over the base amount for the tax year based upon the state's apportioned share of the qualifying expenditures for increasing research activities.

(2) Six and one-half percent of the basic research payments determined under Section 41(e)(1)(A) of the Internal Revenue Code during the tax year based upon the state's apportioned share of the qualifying expenditures for increasing research activities. The state's apportioned share of the qualifying expenditures for increasing research activities is a percent equal to the ratio of qualified research expenditures in this state to total qualified research activities.

b. In lieu of the credit computed under paragraph ~~*"a"* of this subrule,~~ 42.11(3)*"a,"* a taxpayer may elect to compute the credit amount for qualified research expenses incurred in this state in a manner consistent with the alternative incremental credit described in Section 41(c)(4) of the Internal Revenue Code for tax years beginning on or after January 1, 2000, but beginning before January 1, 2010. The taxpayer may make this election regardless of the method used by the taxpayer on the taxpayer's federal income tax return. The election made under this paragraph is for the tax year, and the taxpayer may use another method or this same method for any subsequent tax year. For purposes of this alternative incremental research credit computation, the credit percentages applicable to qualified research expenses described in clauses (i), (ii), and (iii) of Section 41(c)(4)(A) of the Internal Revenue Code are 1.65 percent, 2.20 percent, and 2.75 percent, respectively.

c. In lieu of the credit computed under paragraph 42.11(3)*"a,"* a taxpayer may elect to compute the credit amount for qualified research expenses incurred in this state in a manner consistent with the alternative simplified credit described in Section 41(c)(5) of the Internal Revenue Code for tax years beginning on or after January 1, 2010. The taxpayer may make this election regardless of the method used by the taxpayer on the taxpayer's federal income tax return. The election made under this paragraph is for the tax year, and the taxpayer may use another method or this same method for any subsequent tax year.

For purposes of this alternative simplified research credit computation, the credit percentages applicable to qualified research expenses described in Section 41(c)(5)(A) and clause (ii) of Section 41(c)(5)(B) of the Internal Revenue Code are 4.55 percent and 1.95 percent, respectively.

~~*c.*~~ *d.* For purposes of this subrule, the terms "base amount," "basic research payment," and "qualified research expense" mean the same as defined for the federal credit for increasing research activities under Section 41 of the Internal Revenue Code, except that, for purposes of the alternative incremental credit described in paragraph ~~*"b"* of this subrule,~~ 42.11(3)*"b"* and the alternative simplified credit described in paragraph 42.11(3)*"c,"* such amounts are limited to research activities conducted within this state. For purposes of this subrule, "Internal Revenue Code" means the Internal Revenue Code in effect on January 1, ~~2009~~ 2011.

~~*d.*~~ *e.* An individual may claim a research activities credit incurred by a partnership, S corporation, limited liability company, estate, or trust electing to have the income of the business entity taxed to the individual. The amount claimed by an individual from the business entity shall be based upon the pro-rata share of the individual's earnings from a partnership, S corporation, estate or trust. Any research credit in excess of the individual's tax liability, less the nonrefundable credits authorized in Iowa Code chapter 422, division II, may be refunded to the individual or may be credited to the individual's tax liability for the following tax year.

~~*e.*~~ *f.* An eligible business approved under the new jobs and income program prior to July 1, 2005, is eligible for an additional research activities credit as described in 701—subrule 52.7(4). An eligible business approved under the enterprise zone program is eligible for an additional research activities credit as described in 701—subrules 52.7(5) and 52.7(6).

ITEM 14. Amend rule **701—42.11(15,422)**, implementation sentence, as follows:

This rule is intended to implement Iowa Code sections 15.335 and 422.10 as amended by ~~2009~~ 2011 Iowa Acts, Senate File ~~478~~ 512.

ITEM 15. Rescind and reserve rule **701—44.5(422)**.

ITEM 16. Amend subrule 52.7(3) as follows:

52.7(3) Research activities credit for tax years beginning in 2000. Effective for tax years beginning on or after January 1, 2000, the taxes imposed for corporate income tax purposes will be reduced by a tax credit for increasing research activities.

a. The credit equals the sum of the following:

(1) Six and one-half percent of the excess of qualified research expenses during the tax year over the base amount for the tax year based upon the state's apportioned share of the qualifying expenditures for increasing research activities.

(2) Six and one-half percent of the basic research payments determined under Section 41(e)(1)(A) of the Internal Revenue Code during the tax year based upon the state's apportioned share of the qualifying expenditures for increasing research activities.

The state's apportioned share of the qualifying expenditures for increasing research activities is a percent equal to the ratio of qualified research expenditures in this state to total qualified research expenditures.

b. In lieu of the credit computed under paragraph ~~*"a"* of this subrule,~~ 52.7(3)*"a,"* a taxpayer may elect to compute the credit amount for qualified research expenses incurred in this state in a manner consistent with the alternative incremental credit described in Section 41(c)(4) of the Internal Revenue Code for tax years beginning on or after January 1, 2000, but beginning before January 1, 2010. The taxpayer may make this election regardless of the method used by the taxpayer on the taxpayer's federal income tax return. The election made under this paragraph is for the tax year and the taxpayer may use another method or this same method for any subsequent tax year.

For purposes of this alternative incremental research credit computation, the credit percentages applicable to qualified research expenses described in clauses (i), (ii), and (iii) of Section 41(c)(4)(A) of the Internal Revenue Code are 1.65 percent, 2.20 percent, and 2.75 percent, respectively.

c. In lieu of the credit computed under paragraph 52.7(3)*"a,"* a taxpayer may elect to compute the credit amount for qualified research expenses incurred in this state in a manner consistent with the alternative simplified credit described in Section 41(c)(5) of the Internal Revenue Code for tax years beginning on or after January 1, 2010. The taxpayer may make this election regardless of the method used by the taxpayer on the taxpayer's federal income tax return. The election made under this paragraph is for the tax year, and the taxpayer may use another method or this same method for any subsequent tax year.

For purposes of this alternative simplified research credit computation, the credit percentages applicable to qualified research expenses described in Section 41(c)(5)(A) and clause (ii) of Section 41(c)(5)(B) of the Internal Revenue Code are 4.55 percent and 1.95 percent, respectively.

~~*c.*~~ *d.* For purposes of this subrule, the terms "base amount," "basic research payment," and "qualified research expense" mean the same as defined for the federal credit for increasing research activities under Section 41 of the Internal Revenue Code, except that, for purposes of the alternative incremental credit described in paragraph 52.7(3)*"b"* ~~of this subrule,~~ and the alternative simplified credit described in paragraph 52.7(3)*"c,"* such amounts are limited to research activities conducted within this state. For purposes of this rule, "Internal Revenue Code" means the Internal Revenue Code in effect on January 1, ~~2009~~ 2011.

~~*d.*~~ *e.* A shareholder in an S corporation may claim the pro-rata share of the Iowa credit for increasing research activities on the shareholder's individual return. The S corporation must provide each shareholder with a schedule showing the computation of the corporation's Iowa credit for increasing research activities and the shareholder's pro-rata share. The shareholder's pro-rata share of the Iowa credit for increasing research activities must be in the same ratio as the shareholder's pro-rata share in the earnings of the S corporation.

Any research credit in excess of the corporation's tax liability less the credits authorized in Iowa Code sections 422.33, 422.91 and 422.111 may be refunded to the taxpayer or credited to the estimated tax of the corporation for the following year.

ITEM 17. Amend subrule 52.7(5) as follows:

52.7(5) Corporate tax research credit for increasing research activities within an enterprise zone. Effective for tax years beginning on or after January 1, 2000, for awards made by the Iowa department of economic development prior to July 1, 2010, the taxes imposed for corporate income tax purposes will be reduced by a tax credit for increasing research activities within an area designated as an enterprise zone. This credit for increasing research activities is in lieu of the research activities credit described in 701—subrule 42.11(3) or the research activities credit described in subrule 52.7(3). For the amount of the credit for increasing research activities within an enterprise zone for awards made by the ~~Iowa department of~~ economic development authority on or after July 1, 2010, see subrule 52.7(6).

a. The credit equals the sum of the following:

(1) Thirteen percent of the excess of qualified research expenses during the tax year over the base amount for the tax year based upon the state's apportioned share of the qualifying expenditures for research activities.

(2) Thirteen percent of the basic research payments determined under Section 41(e)(1)(A) of the Internal Revenue Code during the tax year based upon the state's apportioned share of the qualifying

expenditures for increasing research activities. The state's apportioned share of the qualifying expenditures for increasing research activities is a percent equal to the ratio of qualified research expenditures in the enterprise zone to total qualified research expenditures.

b. In lieu of the credit computed under paragraph ~~*"a"* of this subrule,~~ 52.7(5)*"a,"* a taxpayer may elect to compute the credit amount for qualified research expenses incurred in the enterprise zone in a manner consistent with the alternative incremental credit described in Section 41(c)(4) of the Internal Revenue Code for tax years beginning prior to January 1, 2010. The taxpayer may make this election regardless of the method used by the taxpayer on the taxpayer's federal income tax return. The election made under this paragraph is for the tax year and the taxpayer may use another method or this same method for any subsequent tax year. For purposes of this alternative research credit computation, the credit percentages applicable to qualified research expenses described in clauses (i), (ii), and (iii) of Section 41(c)(4)(A) of the Internal Revenue Code are 3.30 percent, 4.40 percent, and 5.50 percent, respectively.

c. In lieu of the credit computed under paragraph 52.7(5)*"a,"* a taxpayer may elect to compute the credit amount for qualified research expenses incurred in the enterprise zone in a manner consistent with the alternative simplified credit described in Section 41(c)(5) of the Internal Revenue Code for tax years beginning on or after January 1, 2010. The taxpayer may make this election regardless of the method used by the taxpayer on the taxpayer's federal income tax return. The election made under this paragraph is for the tax year and the taxpayer may use another method or this same method for any subsequent tax year. For purposes of this alternative research credit computation, the credit percentages applicable to qualified research expenses described in Section 41(c)(5)(A) and clause (ii) of Section 41(c)(5)(B) are 9.10 percent and 3.90 percent, respectively.

~~*c.*~~ *d.* For purposes of this subrule, the terms "base amount," "basic research payment," and "qualified research expense" mean the same as defined for the federal credit for increasing research activities under Section 41 of the Internal Revenue Code, except that, for purposes of the alternative incremental credit described in paragraph 52.7(3)*"b"* and the alternative simplified credit described in paragraph 52.7(3)*"c"* of this rule, such amounts are limited to research activities conducted within the enterprise zone. For purposes of this rule, "Internal Revenue Code" means the Internal Revenue Code in effect on January 1, ~~2009~~ 2011.

~~*d.*~~ *e.* Any research credit in excess of the corporation's tax liability for the taxable year may be refunded to the taxpayer or credited to the corporation's tax liability for the following year.

ITEM 18. Amend paragraphs **52.7(6)"c"** and **"d"** as follows:

c. In lieu of the credit computed under paragraphs 52.7(6)*"a"* and *"b,"* a taxpayer may elect to compute the credit amount for qualified research expenses incurred in the enterprise zone in a manner consistent with the alternative ~~incremental~~ simplified credit described in Section 41(c)~~(4)~~(5) of the Internal Revenue Code. The taxpayer may make this election regardless of the method used by the taxpayer on the taxpayer's federal income tax return. The election made under this paragraph is for the tax year and the taxpayer may use another method or this same method for any subsequent tax year. For purposes of this alternative research credit computation, the credit percentages applicable to qualified research expenses described in ~~clauses (i), (ii), and (iii) of~~ Section 41(c)~~(4)~~(5)(A) and clause (ii) of Section 41(c)(5)(B) of the Internal Revenue Code depend upon the gross revenues of the eligible business.

(1) The percentages are ~~4.19~~ 7 percent~~, 5.58 percent,~~ and ~~6.98~~ 3 percent, respectively, for eligible businesses with gross revenues of less than $20 million.

(2) The percentages are ~~2.41~~ 2.1 percent~~, 3.22 percent,~~ and ~~4.02~~ 0.9 percent, respectively, for eligible businesses with gross revenues of $20 million or more.

d. For purposes of this subrule, the terms "base amount," "basic research payment," and "qualified research expense" mean the same as defined for the federal credit for increasing research activities under Section 41 of the Internal Revenue Code, except that, for purposes of the alternative ~~incremental~~ simplified credit described in paragraph ~~52.7(3)*"b"*~~ 52.7(3)*"c"* of this rule, such amounts are limited

to research activities conducted within the enterprise zone. For purposes of this rule, "Internal Revenue Code" means the Internal Revenue Code in effect on January 1, ~~2009~~ 2011.

ITEM 19. Amend rule **701—52.7(422)**, implementation sentence, as follows:

This rule is intended to implement Iowa Code section 422.33 as amended by ~~2009~~ 2011 Iowa Acts, Senate File ~~478~~ 512.

ITEM 20. Amend rule 701—53.1(422), introductory paragraph, as follows:

701—53.1(422) Computation of net income for corporations. Net income for state purposes shall mean federal taxable income, before deduction for net operating losses, as properly computed under the Internal Revenue Code, and shall include the adjustments in 701—53.2(422) to 701—53.13(422) and 701—53.17(422) to ~~53.25(422)~~ 701—53.26(422). The remaining provisions of this rule and 701—53.14(422) to 701—53.16(422) shall also be applicable in determining net income.

ITEM 21. Adopt the following **new** subrule 53.22(5):

53.22(5) *Assets acquired after December 31, 2009, but before January 1, 2013.* For tax periods beginning after December 31, 2009, but beginning before January 1, 2013, the bonus depreciation authorized in Section 168(k) of the Internal Revenue Code, as amended by Public Law No. 111-240, Section 2022, and Public Law No. 111-312, Section 401, does not apply for Iowa corporation income tax. Taxpayers who claim the bonus depreciation on their federal income tax return must add the total amount of depreciation claimed on assets acquired after December 31, 2009, but before January 1, 2013, and subtract the amount of depreciation taken on such property using the modified accelerated cost recovery system (MACRS) depreciation method applicable under Section 168 of the Internal Revenue Code without regard to Section 168(k).

If any such property was sold or disposed of during the tax year, the applicable depreciation catch-up adjustment must be made to adjust the basis of the property for Iowa tax purposes. The gain or loss reported on the sale or disposition of these assets for federal tax purposes must be adjusted for Iowa tax purposes to account for the adjusted basis of assets.

The adjustment for both depreciation and the gain or loss on the sale of qualifying assets acquired after December 31, 2009, but before January 1, 2013, can be calculated on Form IA 4562A.

See subrule 53.22(3) for examples illustrating how this subrule is applied.

ITEM 22. Amend rule **701—53.22(422)**, implementation sentence, as follows:

This rule is intended to implement Iowa Code section 422.35 as amended by 2011 Iowa Acts, Senate File 512.

ITEM 23. Amend rule 701—53.23(422), introductory paragraph, as follows:

701—53.23(422) Section 179 expensing. For tax periods beginning on or after January 1, 2003, but beginning before January 1, 2006, the increase in the expensing allowance for qualifying property authorized in Section 179(b) of the Internal Revenue Code, as enacted by Public Law No. 108-27, Section 202, may be taken for Iowa corporation income tax. If the taxpayer elects to take the increased Section 179 expensing, the Section 179 expensing allowance on the Iowa corporation income tax return is the same as the Section 179 expensing allowance on the federal income tax return for tax years beginning on or after January 1, 2003, but beginning before January 1, 2006. In addition, for tax periods beginning on or after January 1, 2008, but beginning before January 1, 2009, the increase in the expensing allowance for qualifying property authorized in Section 179(b) of the Internal Revenue Code, as enacted by Public Law No. 110-185, Section 102, may be taken for Iowa corporation income tax. For tax periods beginning on or after January 1, 2009, but beginning before January 1, 2010, the increase in the expensing allowance for qualifying property authorized in Section 179(b) of the Internal Revenue Code, as enacted by Public Law No. 111-5, Section 1202, cannot be taken for Iowa corporation income tax purposes. The maximum amount of Section 179 expensing allowed for tax periods beginning on or after January 1, 2009, but beginning before January 1, 2010, is $133,000 for Iowa corporation income tax purposes. For tax years beginning on or after January 1, 2010, the increase

in the expensing allowance for qualifying property authorized in Section 179(b) of the Internal Revenue Code, as enacted by Public Law No. 111-240, Section 2021, and Public Law No. 111-312, Section 402, may be taken for Iowa corporation income tax.

ITEM 24. Adopt the following **new** subrule 53.23(3):

53.23(3) Special filing provision for 2010 change. Taxpayers who did not claim the increased Section 179 expensing on their tax return for the period beginning on or after January 1, 2010, but before January 1, 2011, as originally filed have two options to reflect this adjustment. Taxpayer may either file an amended return for the applicable tax year to reflect this adjustment, or taxpayer may reflect this adjustment on the next tax return. If the taxpayer elects to reflect this adjustment on the next tax return, the limitation based on income provisions and regulations of Section 179(b)(3) of the Internal Revenue Code is suspended related to the claiming of the adjustment for the next tax year.

EXAMPLE: Taxpayer claimed a $150,000 Section 179 expense on the federal return for the period ending December 31, 2010. Taxpayer only claimed a $134,000 Section 179 expense on the Iowa return as originally filed for the period ending December 31, 2010. Taxpayer elects not to file an amended return for the period ending December 31, 2010, but to make the adjustment on the Iowa return for the period ending December 31, 2011. Taxpayer reported a loss on the federal return for the period ending December 31, 2011; therefore, no Section 179 expense can be claimed on the federal return for the period ending December 31, 2011, in accordance with Section 179(b)(3) of the Internal Revenue Code. Taxpayer can claim the $16,000 ($150,000 less $134,000) difference as a deduction on the Iowa return for the period ending December 31, 2011, since the income provision of Section 179(b)(3) is suspended for Iowa tax purposes.

ITEM 25. Amend rule **701—53.23(422)**, implementation sentence, as follows:

This rule is intended to implement Iowa Code section 422.35 as amended by ~~2008~~ 2011 Iowa Acts, Senate File ~~2123~~ 512.

ITEM 26. Adopt the following **new** subrule 59.23(5):

59.23(5) *Assets acquired after December 31, 2009, but before January 1, 2013.* For tax periods beginning after December 31, 2009, but beginning before January 1, 2013, the bonus depreciation authorized in Section 168(k) of the Internal Revenue Code, as amended by Public Law No. 111-240, Section 2022, and Public Law No. 111-312, Section 401, does not apply for Iowa franchise tax. Taxpayers who claim the bonus depreciation on their federal income tax return must add the total amount of depreciation claimed on assets acquired after December 31, 2009, but before January 1, 2013, and subtract the amount of depreciation taken on such property using the modified accelerated cost recovery system (MACRS) depreciation method applicable under Section 168 of the Internal Revenue Code without regard to Section 168(k).

If any such property was sold or disposed of during the tax year, the applicable depreciation catch-up adjustment must be made to adjust the basis of the property for Iowa tax purposes. The gain or loss reported on the sale or disposition of these assets for federal tax purposes must be adjusted for Iowa tax purposes to account for the adjusted basis of assets.

The adjustment for both depreciation and the gain or loss on the sale of qualifying assets acquired after December 31, 2009, but before January 1, 2013, can be calculated on Form IA 4562A.

See 701—subrule 53.22(3) for examples illustrating how this subrule is applied.

ITEM 27. Amend rule **701—59.23(422)**, implementation sentence, as follows:

This rule is intended to implement Iowa Code section 422.35 as amended by ~~2005~~ 2011 Iowa Acts, ~~House~~ Senate File ~~102~~ 512, and section 422.61.

ITEM 28. Amend rule 701—59.24(422), introductory paragraph, as follows:

701—59.24(422) Section 179 expensing. For tax periods beginning on or after January 1, 2003, but beginning before January 1, 2006, the increase in the expensing allowance for qualifying property authorized in Section 179(b) of the Internal Revenue Code, as enacted by Public Law No. 108-27, Section 202, may be taken for Iowa franchise tax. If the taxpayer elects to take the increased Section

179 expensing, the Section 179 expensing allowance on the Iowa franchise tax return is the same as the Section 179 expensing allowance on the federal income tax return for tax years beginning on or after January 1, 2003, but beginning before January 1, 2006. In addition, for tax periods beginning on or after January 1, 2008, but beginning before January 1, 2009, the increase in the expensing allowance for qualifying property authorized in Section 179(b) of the Internal Revenue Code, as enacted by Public Law No. 110-185, Section 102, may be taken for Iowa franchise tax. For tax periods beginning on or after January 1, 2009, but beginning before January 1, 2010, the increase in the expensing allowance for qualifying property authorized in Section 179(b) of the Internal Revenue Code, as enacted by Public Law No. 111-5, Section 1202, cannot be taken for Iowa franchise tax purposes. The maximum amount of Section 179 expensing allowed for tax periods beginning on or after January 1, 2009, but beginning before January 1, 2010, is $133,000 for Iowa franchise tax purposes. For tax years beginning on or after January 1, 2010, the increase in the expensing allowance for qualifying property authorized in Section 179(b) of the Internal Revenue Code, as enacted by Public Law No. 111-240, Section 2021, and Public Law No. 111-312, Section 402, may be taken for Iowa franchise tax.

ITEM 29. Adopt the following **new** subrule 59.24(3):

59.24(3) Special filing provision for 2010 change. Taxpayers who did not claim the increased Section 179 expensing on their tax return for the period beginning on or after January 1, 2010, but before January 1, 2011, as originally filed have two options to reflect this adjustment. Taxpayer may either file an amended return for the applicable tax year to reflect this adjustment, or taxpayer may reflect this adjustment on the next tax return. If the taxpayer elects to reflect this adjustment on the next tax return, the limitation based on income provisions and regulations of Section 179(b)(3) of the Internal Revenue Code is suspended related to the claiming of the adjustment for the next tax year.

EXAMPLE: Taxpayer claimed a $150,000 Section 179 expense on the federal return for the period ending December 31, 2010. Taxpayer only claimed a $134,000 Section 179 expense on the Iowa return as originally filed for the period ending December 31, 2010. Taxpayer elects not to file an amended return for the period ending December 31, 2010, but to make the adjustment on the Iowa return for the period ending December 31, 2011. Taxpayer reported a loss on the federal return for the period ending December 31, 2011; therefore, no Section 179 expense can be claimed on the federal return for the period ending December 31, 2011, in accordance with Section 179(b)(3) of the Internal Revenue Code. Taxpayer can claim the $16,000 ($150,000 less $134,000) difference as a deduction on the Iowa return for the period ending December 31, 2011, since the income provision of Section 179(b)(3) is suspended for Iowa tax purposes.

ITEM 30. Amend rule **701—59.24(422)**, implementation sentence, as follows:

This rule is intended to implement Iowa Code section 422.35 as amended by ~~2005~~ 2011 Iowa Acts, ~~House~~ Senate File ~~102~~ 512, and section 422.61.
